"TANGO: 400 espresso coffees per hour"

page 1

400 espresso coffees per hour

Fully automatic, the Tango model comes standard with two grinders that allow 1, 2, 3 or 4 cups to be infused at the push of a button. One group can be programmed to produce filter coffee while the other produces espresso, and can also be fitted with optional nozzles to automatically prepare cappuccinos, cafe latte, milk, and other beverages.
